

AERO SPACE & DEFENSE MEETINGS SEVILLA

MEDIA KIT 2026

Organized by

EVENT OVERVIEW

Aerospace & Defense Meetings Sevilla (ADM Sevilla) is Spain's leading B2B convention dedicated to aerospace and defense supply chains.

The 2026 edition marks the event's 8th edition, confirming its position as a key strategic meeting point for industry decision-makers.

ADM Sevilla brings together global OEMs, Tier 1-3 suppliers, SMEs, startups, institutions, and innovation players for three days of high-level business exchanges in a professional and focused environment.

Dates & venue

May 19-21, 2026
Fibes - Palacio de Congresos y Exposiciones de Sevilla
Seville, Spain

Event positioning

ADM Sevilla is a business-oriented convention designed to maximize efficiency and return on investment for participants.

The event combines:

- Pre-scheduled B2B meetings tailored to participants' profiles and business objectives
- High-level conferences and presentations addressing key challenges of the aerospace and defense supply chains
- An exhibition area supporting face-to-face interactions
- A dedicated Student Day (May 21), one of the event's key highlights, connecting students and young talents with industry professionals and career opportunities

This unique format enables participants to optimize their time, generate qualified leads, and develop long-term partnerships.

Press release

Aerospace & Defense Meetings Sevilla 2026 – 8th Edition

Aerospace & Defense Meetings Sevilla (ADM Sevilla) will take place from May 19 to 21, 2026, at FIBES – Sevilla Exhibition & Conference Center, in Seville, Spain.

Now in its 8th edition, ADM Sevilla is Spain's leading B2B event for the aerospace and defense supply chains, bringing together international OEMs, Tier-1 to Tier-3 suppliers, SMEs, startups, institutions, and innovation players.

The event is built around a unique and efficient format combining pre-scheduled B2B meetings, a dedicated exhibition area, and high-level conferences focused on key industry challenges. This business-oriented approach allows participants to maximize their time on site and generate concrete business opportunities.

With 1,300+ participants, 330+ companies from over 30 countries, and 8,750+ pre-scheduled business meetings, ADM Sevilla 2026 reinforces its position as a strategic meeting point for the global aerospace and defense community in Spain and Southern Europe.

ADM Sevilla 2026 will also feature a dedicated Student Day on May 21, offering students and young talents the opportunity to discover aerospace and defense careers and connect with industry professionals.

Short event pitch

Aerospace & Defense Meetings Sevilla is Spain's leading B2B event for the aerospace and defense supply chains, connecting global industry players through pre-scheduled business meetings, and conferences.

Boilerplate

Aerospace & Defense Meetings Sevilla is an international B2B convention dedicated to the aerospace and defense industries.
